

## Summer Program for 11<sup>th</sup>-12<sup>th</sup> Grade Students

Unity Health is offering a program for 11<sup>th</sup>-12<sup>th</sup> grade students interested in the medical field. The Careers and Medical Professions (**CAMP**) program will be held **Monday, June 11<sup>th</sup> through Friday, June 15<sup>th</sup>, 2018, from 8:00 am to 4:00 pm each day** at White County Medical Center in Searcy, Arkansas. It is provided as a courtesy of Unity Health at no cost to the students.

**CAMP** is a special summer enrichment program designed to inform students about medical professions by involving them in medical-related activities. During the five-day program, participants will see various areas of the hospital and talk with medical personnel. They will learn CPR and basic first aid and nursing skills.

To be eligible to participate in the program, the student is required to:

- ❖ Be entering the 11<sup>th</sup> or 12<sup>th</sup> grade in the fall of 2018.
- ❖ Have a GPA of 2.5 or higher.
- ❖ Complete the two-page application form.
- ❖ Write a 100-150 word essay about why he/she is interested in attending **CAMP**.
- ❖ Submit two letters of recommendation (from counselors, teachers, principals, ministers, etc.) explaining why he/she would be successful in **CAMP**.
- ❖ Submit a current school transcript.
- ❖ Have personal transportation both to and from White County Medical Center for each day.

Application forms, including the required additional documents, must be completed and turned in to Unity Health by **Friday, April 6<sup>th</sup>, 2018**. (Submission information can be found on the back of the application.) After the submission deadline, students will be contacted to schedule a brief interview and then notified in May if they have been selected for the program. There will be an information meeting later in May for the selected students and their parents.
